

# NURSES RALLY FOR SAFE PATIENT CARE!

On Saturday, more than 1,000 RNs and supporters rallied to send management the message: “We’re Fired Up and Ready To Go!” Bargaining team members shared their experiences and talked about how MNA Nurses have beat back managements takeaways before and are ready to do it again. Nurses left the rally chanting “Whatever It Takes!”

## **Day 3 Bargaining Update**

**YOU asked us to ask them...**

- **Why put every Nurse on-call?**
- **How does gutting our contract ensure patient safety?**
- **How does the employer’s maniacal need for “flexibility” enhance safe patient care?**
